INFORMATION FOR APPLICANT - PUBLIC SECTION	
<ol style="list-style-type: none">1. Schedules or inserts may be attached to this application whenever the space provided is insufficient. Such attached schedules are a part of this application. All attached schedules and inserts should be on paper the same size as this page and securely bound.2. An original of the completed application is to be forwarded to the Office of Financial Institutions. The applicant should retain a complete copy of the application, together with all attachments.3. Requests for clarification should be directed to the Office of Financial Institutions.4. You may provide any additional information which, in your opinion, might aid in the disposition of your application. Any such unsolicited information will be accepted with the understanding that it may be made public.5. Information, which, if publicly disclosed, could adversely affect on-going negotiations or your competitive position may be included with appropriate explanation in the confidential section of the application.6. The application shall be filed at least sixty days before the proposed effective date for commencement of the subsidiary's operations. The Commissioner will have thirty days from receipt of the application in which to file a written objection. If no objection is lodged within the time allotted, the application is considered approved. The Commissioner may require additional time to consider the application or additional information or clarification. Time involved in handling and waiting for such requests shall not be counted against the thirty-day objection period.7. Approval will be considered valid for one year from the expiration of the thirty-day objection period.

Confidential Section

INFORMATION FOR THE APPLICANT – CONFIDENTIAL SECTION

In preparing your application, keep in mind that the Office of Financial Institutions deems that public policy warrants making all information submitted in connection with your application available for public review unless it is confidential in nature and it qualifies for exemption under the provisions of the Public Records Act. The Office has determined that application information is likely to be of such confidential nature, meeting any of the three following exempt categories:

1. Trade secrets and commercial or financial information obtained from a person and privileged or confidential.
2. Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.
3. Information contained in the application form that is in the nature of examination report information.

However, the determination of the question of confidentiality and the discretion to release information which is exempt resides with the Office of Financial Institutions and the specific information you include in this section may be made available for public review after consideration.
